QUEENSBOROUGH COMMUNITY COLLEGE
COMMITTEE on COMPUTER RESOURCES
An Academic Senate Standing Committee

COMMITTEE MEETING MINUTES
March , 2007, in M-127 at 12:00 PM

<u>Attending</u>:   Sharon Ellerton, Robert Kueper, George Sherman, George Thorsen and Craig Weber.

<u>Absent</u>: Danny Mangra, Nam Jong Moh, Phyllis Pace, Jun Shin

1. Approval of corrected Minutes from the Feb.22 , 2007 meeting. Corrections as follows:
   a. Prof. Kueper will write the article on the CIW Program, not Prof. Pace.
   b. Prof. Kueper will not be writing the article on Vista and compatibility issues.
2. Free software from the CUNY eMall.
   a. Chair Thorsen discussed his experience:
      i. Could not activate the download
      ii. Needed to order the CD. $16 fee for shipping and handling for the "free" software.
      iii. Discussed these difficulties with Diane Call who will bring it up to the CUNY-wide steering committee
   b. Chair Thorsen will send out an e-mail survey to determine what others have experienced when using the CUNY e-Mall. Information gathered can be presented by Director Sherman at IT meeting.
3. Clickers
   a. Demonstration will be given at the next academic senate meeting by Tom Gerson.
   b. Difficulties include that some clickers are tied into the software of specific textbooks.
   c. Technology still developing making it difficult to pick one for the entire college.
   d. Demonstration on 4/17/07 at 3PM, Rm. MC-136.
4. Chair Thorsen's Tidbits article on patches for electronic devices for daylight savings time received positive feed-back. Patches worked.
5. The library will be receiving new computers with XP, not Vista.
6. Tentative date for next meeting: April 19, 2007 at noon.
7. Motion to adjourn at 12:35 PM.

Respectfully submitted,

Sharon S. Ellerton
