Discussion:

The Committee met to review the retroactive withdrawals.

A motion was started by the Chair Dr. Steven Dahlke to eliminate the probation code; ‘Academic Alert’. The decision was unanimously approved by the Committee. Earlier during the Retention Committee meeting held on the 31st of January 2014 the topic of Academic Alert was discussed in detail. It has been proved in the past that placing students on Academic Alert has not worked 90% of the times. Students on Academic Alert continue to deteriorate in their academic performance. On the contrary, placing students on Academic Probation would be a bit harsher reality and could prove an early warning for their dismissal from College.

	Total Appeals	Approved	Denied	No Jurisdiction

The CCS meeting on March 21st has been cancelled due to small number of appeals. Chair will review those appeals.
