

BALLOT FOR THE STANDING COMMITTEES OF THE ACADEMIC SENATE

Each year, one-third of the seats on each committee are up for election. **You are only voting for the new members of the committees.** These candidates are shown in bold type at the top of the ballot for each committee.

You may vote for the entire slate for all committees, or you may vote on each committee individually, either by selecting its entire slate, or by selecting specific candidates. Those elected will have a three-year term that ends in 2025.

An insufficient number of candidates applied for committee services. Therefore several committees have vacant positions which must be filled. .

	Place an "X" in this box to vote for the CoC slate for <u>all committees</u> .
	Or, you may vote on each committee individually by either selecting the entire slate, or selecting specific candidates.
