

**Queensborough Community College  
of the City University of New York  
Library Committee of the Academic Senate**

**Agenda for April 10, 2013**

1. Review of minutes of previous meeting on March 6, 2013.

**Old Business**

2. Visit by the Director of Services for Students with Disabilities, Ben-Ami Freier, to assess whether the Library's two computer stations for disabled students are in need of updates or improvements.
3. Discussion with Director Freier regarding the process by which students with disabilities (including temporary disabilities) obtain keys for the elevators. Given the location of Health Services, might the College create satellite locations where students could obtain keys?
4. Follow-up discussion regarding clarification of two items listed in our Committee Guide as needing review:
  - recommendations in report made to Academic Senate on May 10, 2005
  - respond to Library Task Force Report

and charge to the Library Committee to:

“Request, from the Office of Academic Affairs, an assessment of the Library.”

**New Business**

5. How to address the Student Activities Committee's concern regarding the Library's hours of operation, how to accurately determine students' needs and how to best meet them.
6. How to best address the need for more space.
