

For those having trouble logging into the Academic Senate Zoom meeting, follow the steps below:

1. **Click on Sign in with SSO (Single Sign-On)**

The image shows a screenshot of the Zoom Cloud Meetings sign-in interface. The window title is "Zoom Cloud Meetings". The main heading is "Sign In". On the left side, there are two input fields: "Enter your email" and "Enter your password" with a "Forgot?" link. Below the password field is a checkbox labeled "Keep me signed in" and a "Sign In" button. On the right side, there are three social sign-in buttons: "Sign In with SSO" (with a key icon), "Sign In with Google" (with the Google logo), and "Sign In with Facebook" (with the Facebook logo). A vertical line with the word "or" is positioned between the email/password fields and the social sign-in buttons. At the bottom left, there is a "< Back" link, and at the bottom right, there is a "Sign Up Free" link.

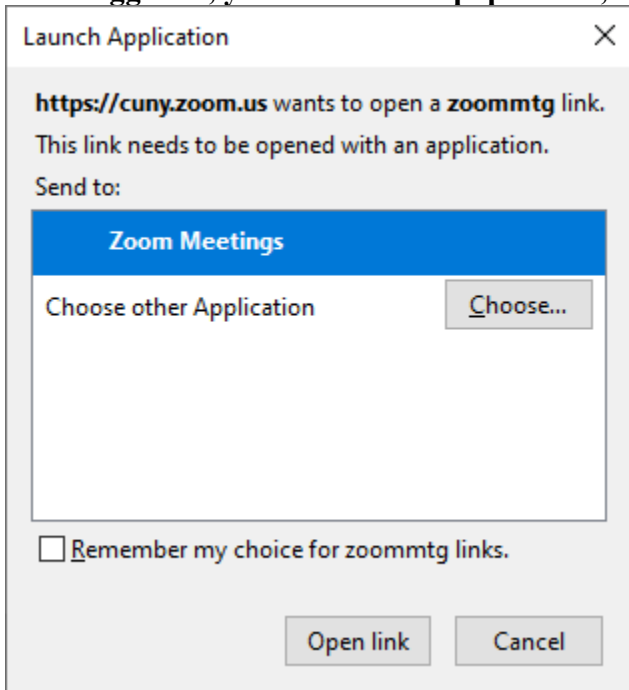

2. You will be prompted for a domain, type in cuny and click Continue

3. You should arrive at the CUNY login screen, enter your CUNY Login name (firstname.lastname###@login.cuny.edu) plus the password for that account just as you would enter for CUNYfirst or Blackboard or CUNY Dropbox. Click Login. Keep in mind this is a web page so you *only need to left click one time*.

4. **Once logged in, you should see a pop screen, click on Open Link**

5. **If you don't see the pop-up, you should see this web page, click on Launch Zoom.**
